All fees listed are standard mortgage loan servicing fees and certain conditions and exclusions may apply.

The fee schedule provides general information on regular costs common with servicing consumer residential mortgage loans. It is not a complete list of all costs that could be assessed to a mortgage loan account. If a mortgage loan becomes delinquent, the borrower files bankruptcy, or the property associated with the mortgage loan becomes subject to litigation, additional costs could be assessed to a mortgage loan account. Examples of additional fees could include, but are not limited to, court costs and attorneys' fees. Fees could vary based on the circumstances of a particular matter. This fee schedule is subject to change without prior notice.
