- (c) the seventh day following the Legal Maturity Date,

in each case after giving effect to all deposits, allocations, reimbursements, reallocations, sales of Collateral and payments to be made on such date.

**Section 2.4 Payments within a Series, Class or Tranche.** All payments of principal, interest or other amounts to the Noteholders will be made in accordance with the Indenture Supplement for the applicable Series, Class or Tranche of Notes.

**Section 2.5 Adjustments for Miscellaneous Credits and Fraudulent Charges.**

(a) If the Servicer adjusts downward the amount of any Receivable because of a rebate, refund, other credit, unauthorized charge or billing error to an Obligor, because such Receivable was created in respect of merchandise which was refused or returned by an Obligor, or because the Servicer or applicable Account Owner processes as a credit adjustment any uncollectible Small Balances, or if the Servicer otherwise adjusts downward the amount of any Receivable without receiving Collections therefor or without charging off such amount as uncollectible, or for any other reason, then, in any such case, the amount of Principal Receivables used to calculate the Transferor Amount, the Transferor Indebtedness and (unless otherwise specified) any other amount required in any Related Agreement to be calculated by reference to the amount of Principal Receivables, will be reduced by the product of (i) one minus the decimal equivalent of the applicable Discount Option Percentage and (ii) the amount of the adjustment. Similarly, the amount of Principal Receivables used to calculate the Transferor Amount, the Transferor Indebtedness and (unless otherwise specified) any other amount required in any Related Agreement to be calculated by reference to the amount of Principal Receivables, will be reduced by the product of (i) one minus the decimal equivalent of the applicable Discount Option Percentage and (ii) the amount of any Receivable which was discovered as having been created through a fraudulent or counterfeit charge or with respect to which the Transferor's covenant contained in subsection 2.9(b) of the Transfer Agreement was breached. Any adjustment required pursuant to either of the two preceding sentences shall be made on or prior to the end of the Monthly Period in which such adjustment obligation arises.

In the event that, following the exclusion of such Principal Receivables from (x) the calculation of the Transferor Amount, such Transferor Amount would be an amount less than the Required Transferor Amount or (y) the calculation of the Pool Balance, such Pool Balance would be an amount less than the Required Pool Balance, the applicable Transferor shall make a deposit on the Payment Date following the Monthly Period in which such adjustment obligation arises, into the Excess Funding Account in immediately available funds in an amount equal to the greater of the amount by which (i) the Transferor Amount would be less than the Required

Transferor Amount or (ii) the Pool Balance would be less than the Required Pool Balance, due to adjustments with respect to Receivables conveyed by such Transferor (up to the amount of such Principal Receivables).

(b) If (i) the Servicer makes a deposit into the Collection Account in respect of a Collection of a Receivable and such Collection was received by the Servicer in the form of a cheque which is not honored for any reason or (ii) the Servicer makes a mistake with respect to the amount of any Collection and deposits an amount that is less than or more than the actual amount of such Collection, the Servicer shall appropriately adjust the amount subsequently deposited into the Collection Account to reflect such dishonored cheque or mistake. Any Receivable in respect of which a dishonored cheque is received shall be deemed not to have been paid. Notwithstanding the first two sentences of this paragraph, adjustments made pursuant to this Section 2.5 shall not require any change in any report previously delivered.

**Section 2.6 Designation of Remaining Principal Shortfalls.** On each First Note Transfer Date, the Servicer shall determine with respect to the prior Monthly Period whether there is a Remaining Series Available Principal Collections Shortfall for any Series of Notes after application of Shared Excess Available Principal Collections for the benefit of such Series of Notes for such Monthly Period. The Servicer shall determine the aggregate amount of such Remaining Series Available Principal Collections Shortfalls for all Series of Notes for such Monthly Period and shall propose, with respect to each Collateral Certificate, a principal shortfall amount (the “**Proposed Principal Shortfall Amount**”) for such Monthly Period. The sum of all such Proposed Principal Shortfall Amounts shall equal the aggregate amount of such Remaining Series Available Principal Collections Shortfalls for such Monthly Period. In determining the Proposed Principal Shortfall Amount for each Collateral Certificate, the Servicer agrees to determine such amount in a manner that shall maximize the amount of payments received from Collateral Certificates in respect of Proposed Principal Shortfalls Amounts.

### **ARTICLE III SERVICING OF RECEIVABLES**

**Section 3.1 Acceptance of Appointment and Other Matters Relating to the Servicer.**

(a) The Transferor hereby appoints TD as the Servicer under this Agreement and TD hereby accepts such appointment and agrees to act as the Servicer under this Agreement. The Noteholders, by their acceptance of the Notes, shall be deemed to consent to TD acting as Servicer.

(b) The Servicer shall service and administer the Receivables, shall collect and deposit, or cause to be deposited, into the Collection Account, the Excess Funding Account or any Supplemental Issuer Account or Sub-Account payments due under the Receivables and shall charge off as uncollectible Receivables, all in accordance with its customary and usual servicing procedures for servicing credit card receivables comparable to the Receivables and in accordance, in all material respects, with the Account Guidelines. The Servicer shall service and administer the Collateral Certificates and shall collect payments due under the Collateral Certificates in accordance with the terms and provisions of each such Collateral Certificate. The Servicer shall have full power and authority, acting alone or through any party properly

designated by it hereunder, to do any and all things in connection with such servicing and administration which it may deem necessary or desirable. Without limiting the generality of the foregoing and subject to Section 6.1, the Servicer or its designee is hereby authorized and empowered, unless such power is revoked by the Indenture Trustee on account of the occurrence of a Servicer Default pursuant to Section 6.1: (i) to instruct the Indenture Trustee to make allocations, withdrawals and payments to or from the Collection Account, the Excess Funding Account and any Supplemental Issuer Account or Sub-Account as set forth in this Agreement, the Indenture or any Indenture Supplement, (ii) to take any action required or permitted under any Supplemental Credit Enhancement Agreement or Derivative Agreement, as set forth in this Agreement, the Indenture or any Indenture Supplement, (iii) to instruct the Indenture Trustee or the Issuer Trustee in writing, as set forth in this Agreement, (iv) to execute and deliver, on behalf of the Trust, any and all instruments of satisfaction or cancellation, or of partial or full release or discharge, and all other comparable instruments, with respect to the Receivables or the Collateral Certificates and, after the delinquency of any Receivable and to the extent permitted under and in compliance with applicable Requirements of Law, to commence collection or enforcement proceedings with respect to such Receivables and (v) to execute and deliver, on behalf of the Trust, any and all instruments deemed necessary or appropriate by it to take any action or fulfill any obligation with respect to the Collateral Certificates. In any action or proceeding that is described in clause (iv) of the preceding sentence, (A) the Servicer, whether acting in its own name or on behalf of another and whether acting alone or through another, represents each of the Transferor's, the Trust's and the Indenture Trustee's interests, (B) each of the Transferor, the Trust and the Indenture Trustee will be bound by that action or by any judgment or other ruling in that action or proceeding, and (C) complete and final relief can be accorded among the parties to that action or proceeding without joining the Transferor, the Trust or the Indenture Trustee. Nothing in the immediately preceding sentence applies to interests of or claims against the Indenture Trustee in its individual capacity or will relieve the Servicer of its obligation to service and administer the Receivables in accordance with the Servicer's customary and usual servicing procedures for servicing credit card receivables comparable to the Receivables and in accordance, in all material respects, with the Account Guidelines. Each of the Indenture Trustee and the Issuer Trustee agrees that it shall promptly follow the instructions of the Servicer to withdraw funds from the applicable Issuer Account and to take any action required under any Supplemental Credit Enhancement Agreement or Derivative Agreement at such time as required under this Agreement, the Indenture or any Indenture Supplement as applicable. Each of the Indenture Trustee and the Issuer Trustee shall execute and furnish the Servicer with such documents as may be necessary or appropriate to enable the Servicer to carry out its servicing and administrative duties hereunder.

(c) The Servicer shall not, and no Successor Servicer shall, be obligated to use separate servicing procedures, offices, employees or accounts for servicing the Receivables from the procedures, offices, employees and accounts used by the Servicer or such Successor Servicer, as the case may be, in connection with its servicing of other comparable receivables.

(d) The Servicer shall comply with and perform its servicing obligations with respect to the Accounts and the Receivables in accordance with the Account Agreements relating to the Accounts and in accordance, in all material respects, with the Account Guidelines and all applicable Requirements of Law affecting the Accounts and the Receivables, except insofar as

any failure to so comply or perform would not materially and adversely affect the Trust or the Noteholders.

(e) The Servicer shall pay out of its own funds, without reimbursement, all expenses incurred in connection with the servicing activities hereunder, including all expenses related to enforcement of the Receivables and the Collateral Certificates, fees and disbursements of the Indenture Trustee and the Issuer Trustee (including the reasonable fees and expenses of their respective outside counsel) and independent accountants for the Servicer.

**Section 3.2 Representations, Warranties and Covenants of the Servicer.** TD, as initial Servicer, hereby makes, and any Successor Servicer by its appointment hereunder shall make, with respect to itself, on the Execution Date and on each Issuance Date on which it is the Servicer (and on the date of any such appointment), the following representations, warranties and covenants on which the Transferor, the Trust, the Issuer Trustee and the Indenture Trustee shall be deemed to have relied in accepting each Receivable and each Collateral Certificate in trust under this Agreement, the Transfer Agreement or the Indenture, as applicable, and in entering into this Agreement, the Transfer Agreement and the Indenture:

(a) Organization and Good Standing. The Servicer is an entity validly existing in good standing under the applicable law of the jurisdiction of its organization or incorporation and has, in all material respects, full power and authority to own its properties and conduct its servicing business as presently owned or conducted, and to execute, deliver and perform its obligations under this Agreement.

(b) Due Qualification. The Servicer is duly qualified to do business and is in good standing (or is exempt from such requirements) and has obtained all necessary licenses and approvals in each jurisdiction in which the servicing of Receivables as required by this Agreement requires such qualification, except where the failure to so qualify or obtain licenses or approvals would not have a material adverse effect on its ability to perform its obligations as Servicer under this Agreement.

(c) Due Authorization. The execution, delivery, and performance by the Servicer of this Agreement and the other agreements and instruments executed or to be executed by the Servicer as contemplated hereby or thereby, have been duly authorized by the Servicer by all necessary action on the part of the Servicer.

(d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the Servicer, enforceable in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally from time to time in effect or by general principles of equity.

(e) No Conflict. The execution and delivery by the Servicer of this Agreement, the performance by the Servicer of the transactions contemplated by this Agreement and the fulfillment by the Servicer of the terms hereof applicable to the Servicer, will not conflict with, violate or result in any breach of any of the material terms and provisions of, or constitute (with or without notice or lapse of time or both) a material default under, any indenture, contract,

agreement, mortgage, deed of trust or other instrument to which the Servicer is a party or by which it or its properties are bound.

(f) No Violation. The execution and delivery of this Agreement by the Servicer, the performance by the Servicer of the transactions contemplated by this Agreement and the fulfillment by the Servicer of the terms hereof applicable to the Servicer, will not conflict with or violate any Requirements of Law applicable to the Servicer, except where such conflict or violation would not have a material adverse effect on its ability to perform its obligations as Servicer under this Agreement.

(g) No Proceedings. There are no proceedings or investigations pending or, to the best knowledge of the Servicer, threatened against the Servicer before any Governmental Authority seeking to prevent the consummation of any of the transactions contemplated by this Agreement or seeking any determination or ruling that, in the reasonable judgment of the Servicer, would have a material adverse effect on the Servicer's ability to perform its obligations under this Agreement.

(h) Compliance With Requirements of Law. The Servicer shall duly satisfy all obligations on its part to be fulfilled under or in connection with each Receivable and the related Account, if any, shall maintain in effect all qualifications required under Requirements of Law in order to service properly each Receivable and the related Account, if any, and shall comply in all material respects with all other Requirements of Law in connection with servicing each Receivable and the related Account, if any, except where non-compliance with such obligations, qualifications and compliance, as applicable, would not have a material adverse effect on the Servicer's ability to perform its obligations under this Agreement.

(i) No Rescission or Cancellation. The Servicer shall not authorize any rescission or cancellation of any Receivable or any Collateral Certificate, except in accordance with the Account Guidelines, any Requirements of Laws, or as ordered by a court of competent jurisdiction or other Governmental Authority.

(j) Protection of Rights. The Servicer shall take no action which, nor omit to take any action the omission of which, would impair the rights of the Trust, the Indenture Trustee or the Noteholders in any Receivable or in any Collateral Certificate, nor shall it reschedule, revise or defer payments due on any Receivable except in accordance with the Account Guidelines or any Requirements of Laws, nor shall it sell any Trust Assets except as provided in any Related Agreement.

(k) Receivables Not To Be Evidenced by Instruments. Except in connection with its enforcement or collection of an Account, the Servicer will take no action to cause any Receivable to be evidenced by any instrument, investment property or chattel paper (as defined in the PPSA) and, if any Receivable is so evidenced as a result of the Servicer's action, it shall be assigned to the Servicer as provided in this Section 3.2.

(l) All Consents. All authorizations, consents, orders or approvals of, or registrations or declarations with, any Governmental Authority required to be obtained, effected or given by the Servicer in connection with the execution and delivery by the Servicer of this Agreement and

the performance by the Servicer of the transactions contemplated by this Agreement, have been duly obtained, effected or given and are in full force and effect, except where the failure to obtain, effect or provide such authorizations, consents, orders, approvals, registrations or declarations, as applicable, would not have a material adverse effect on the Servicer's ability to perform its obligations under this Agreement.

(m) Ordinary Course of Business. The Servicer entered into this Agreement in the ordinary course of business and not with intent to hinder, delay or defraud any Account Owner or its creditors.

In the event any of the representations, warranties or covenants of the Servicer contained in subsection 3.2(h), (i), (j) or (k) with respect to any Receivable, the related Account or any Collateral Certificate is breached, and such breach has a material adverse effect on the interest of the Indenture Trustee or the Trust in such Receivable or Collateral Certificate, as applicable, and is not cured within 60 days (or such longer period, not in excess of 150 days, as may be agreed to by the Indenture Trustee and the Transferor) of the earlier to occur of the discovery of such event by the Servicer, or receipt by the Servicer of notice of such event given by the Indenture Trustee or a Transferor, each such Receivable or, at the option of the Transferor, all Receivables in the Account or Accounts or each such Collateral Certificate, as applicable, to which such event relates shall be assigned and transferred to the Servicer on the terms and conditions set forth below; provided, however, that such Receivables or Collateral Certificate will not be assigned to the Servicer if, on any day prior to the end of such 60 day or longer period, (i) the relevant representation and warranty shall be true and correct, or the related covenant shall have been complied with, in all material respects and (ii) the Servicer shall have delivered to the Transferor and the Indenture Trustee a certificate of an Authorized Officer of the Servicer describing the nature of the breach and the manner in which such breach was cured.

The Servicer shall effect such assignment by making a deposit into the Collection Account in immediately available funds on the First Note Transfer Date following the Monthly Period in which such assignment obligation arises in an amount equal to the amount of such Receivables or the Invested Amount of such Collateral Certificate, as applicable.

Upon each such assignment to the Servicer, the Indenture Trustee and the Trust shall automatically and without further action sell, transfer, assign, set over and otherwise convey to the Servicer, without recourse, representation or warranty, all right, title and interest of the Indenture Trustee and the Trust in and to such Receivables and/or Collateral Certificates, all Recoveries with respect thereto, all monies due or to become due and all amounts received with respect thereto, all Collections with respect thereto and all proceeds thereof. The Indenture Trustee and the Trust shall execute such documents and instruments of transfer or assignment and take such other actions as shall be reasonably requested by the Servicer to effect the conveyance of any such property pursuant to this Section 3.2 but only upon receipt of an Officer's Certificate of the Servicer that states that all conditions set forth in this Section 3.2 have been satisfied. The obligation of the Servicer to accept assignment of such property, and to make the deposits, if any, required to be made to the Collection Account as provided in the preceding paragraph, shall constitute the sole remedy respecting the event giving rise to such obligation available to Noteholders (or the Indenture Trustee on behalf of Noteholders) or the Trust, except as provided in Section 5.4.

**Section 3.3 Reports and Records for the Issuer Trustee, Indenture Trustee and the Paying Agent.**

(a) Daily Records. On each Business Day during normal business hours of the Servicer, the Servicer shall make or cause to be made available at the office of the Servicer for inspection by the Issuer Trustee, the Indenture Trustee and any Transferor upon reasonable request a record setting forth (i) the Collections in respect of Principal Receivables and Finance Charge Receivables processed by the Servicer as of the close of business on the second preceding Business Day in each Account, (ii) the aggregate amount of Receivables as of the close of business on the second preceding Business Day in each Account and (iii) if the Trust Assets include one or more Collateral Certificates, the Invested Amount of each Collateral Certificate as of the close of business on the second preceding Business Day. The Servicer shall, at all times, maintain its computer files with respect to the Accounts in such a manner so that the Accounts may be specifically identified.

(b) Monthly Servicer's Certificate. Not later than each Note Transfer Date, the Servicer shall, with respect to each Outstanding Series of Notes, deliver to the Issuer Trustee, the Indenture Trustee, the Paying Agent, the Transferor and each Note Rating Agency a certificate of an Authorized Officer substantially in the form specified in the related Indenture Supplement (each, a "**Monthly Servicer's Certificate**") and the Monthly Noteholders' Statement referred to in section 9.05 of the Indenture (including the Monthly Servicer Statement).

**Section 3.4 Annual Certificate of Servicer.** The Servicer shall deliver to the Indenture Trustee, the Issuer Trustee, each Transferor and each Note Rating Agency on or before January 31 of each calendar year, beginning with calendar year 2017, the statement of compliance with respect to such fiscal year, which statement will be in the form of an Officer's Certificate of the Servicer (with appropriate insertions) to the effect that the Servicer has fully performed, or caused to be fully performed, its obligations in all material respects under this Agreement or, if there has been a failure to perform any such obligation in any material respect, specifying each such failure known to the Servicer and the nature and status thereof.

**Section 3.5 Annual Servicing Report of Independent Public Accountants; Copies of Reports Available.**

(a) On or before January 31 of each calendar year, beginning with calendar year 2017, the Servicer shall cause a firm of Canadian or United States nationally recognized chartered accountants or independent certified public accountants, as the case may be, (who may also render other services to the Servicer or the Seller) to furnish a report, prepared using generally accepted auditing standards to the Indenture Trustee, the Issuer Trustee, the Servicer, the Transferor and each Note Rating Agency, to the effect that they have compared the mathematical calculations of certain amounts set forth in the Monthly Servicer Statements forwarded by the Servicer pursuant to Section 3.3(b) during the period covered by such report with the Servicer's computer reports which were the source of such amounts and that, on the basis of such comparison, such firm found that such amounts are in agreement, except for such exceptions as shall be set forth in such report.

(b) A copy of each certificate and report provided pursuant to subsection 3.3(b), or Section 3.4 or 3.5 may be obtained by any Noteholder or Note Owner by a request in writing to the Indenture Trustee addressed to the Corporate Trust Office.

**Section 3.6 U.S. Tax Treatment.** Unless otherwise specified in the Indenture or an Indenture Supplement with respect to a particular Series, Class or Tranche of Notes, each Transferor has entered into this Agreement, and the Notes will be issued, with the intention that, for United States federal, state and local income and franchise tax purposes, each Series, Class or Tranche of Notes which are characterized as indebtedness at the time of their issuance will be treated as indebtedness for all United States federal, state and local income and franchise tax purposes. Each Transferor, by entering into this Agreement, and each Noteholder, by the acceptance of any such Note (and each Note Owner, by its acceptance of an interest in the applicable Note), agree to treat such Note for United States federal, state and local income and franchise tax purposes as indebtedness. Each Noteholder agrees that it will cause any Note Owner acquiring an interest in a Note through it to comply with this Agreement as to treatment as indebtedness under applicable tax law, as described in this Section 3.6.

**Section 3.7 Notices to TD.** In the event that TD is no longer acting as Servicer, any Successor Servicer shall deliver or make available to TD each certificate and report required to be provided thereafter pursuant to subsection 3.3(b), Section 3.4 and subsections 3.5(a) and (b), as well as information reasonably requested by TD.

#### **ARTICLE IV ADMINISTRATION OF THE TRUST; DUTIES OF THE ADMINISTRATOR**

**Section 4.1 Appointment of Administrator; Duties of Administrator.**

The Administrator accepts such appointment and agrees to act in such capacity and to provide or cause to be provided the services and to perform the duties set forth in this Agreement on and subject to the terms and conditions in this Agreement. (i) In addition to the duties of the Administrator set forth above, the Administrator shall perform all duties and obligations of the Issuer under the Related Agreements and shall perform such calculations and shall prepare for execution by the Issuer and shall cause the preparation by other appropriate Persons of all such documents, reports, filings, instruments, certificates and opinions as it shall be the duty of the Issuer or the Issuer Trustee to prepare, file or deliver pursuant to the Related Agreements, and at the request of the Issuer shall take all appropriate action that it is the duty of the Issuer or the Issuer Trustee to take pursuant to the Related Agreements. Subject to Section 4.5 of this Agreement, and in accordance with the directions of the Issuer, the Administrator shall administer, perform or supervise the performance of such other activities in connection with the Collateral (including the Related Agreements) as are not covered by any of the foregoing provisions and as are expressly requested by the Issuer Trustee and are reasonably within the capability of the Administrator.

(ii) The Administrator shall perform the duties expressly required to be performed by the Administrator under the Declaration of Trust and shall distribute to the Beneficiary under the Declaration of Trust the Annual Net Income of the Trust in accordance with the terms of the Declaration of Trust.

(iii) In carrying out the foregoing duties or any of its other obligations under this Agreement, the Administrator may enter into transactions with or otherwise deal with any of its Affiliates; provided, however, that the terms of any such transactions or dealings shall be in accordance with any directions received from the Issuer and shall be, in the Administrator's opinion, no less favorable to the Issuer than would be available from unaffiliated parties.

(iv) It is the intention of the parties hereto that the Administrator shall, and the Administrator hereby agrees to, execute on behalf of the Issuer all such documents, reports, filings, instruments, certificates and opinions as it shall be the duty of the Issuer to prepare, file or deliver pursuant to the Related Agreements. (ii) Notwithstanding anything to the contrary in this Agreement, the Administrator shall not be obligated to, and shall not, (x) make any payments to the Noteholders or any Transferor under the Related Agreements or (y) take any other action that the Issuer directs the Administrator not to take on its behalf.

**Section 4.2 Records.** The Administrator shall maintain appropriate books of account and records relating to services performed hereunder, which books of account and records shall be accessible for inspection by the Issuer, the Issuer Trustee, the Indenture Trustee and any Transferor at any time during normal business hours.

**Section 4.3 Compensation.** As compensation for the performance of the Administrator's obligations under this Agreement, the Administrator shall be entitled to an amount not to exceed \$5,000 per month, in addition to reimbursement for its liabilities and extra out-of-pocket expenses related to its performance hereunder or under any Related Agreement. Such amounts shall be paid by the Transferor in accordance with Section 7.3 of the Transfer Agreement.

**Section 4.4 Additional Information to be Furnished to Issuer and Indenture Trustee.** The Administrator shall furnish to the Issuer or the Indenture Trustee from time to time such additional information regarding the Related Agreements and the Trust as each of them shall reasonably request.

**Section 4.5 Standard of Care.** The Administrator will perform all its duties hereunder honestly, in good faith and in the best interests of the Trust in conformity with the Trust's obligations under the Transaction Documents, be diligent in supervising and managing the Trust's affairs, and in connection therewith will exercise that degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances.

**Section 4.6 No Joint Venture.** Nothing contained in this Agreement shall (i) constitute the Administrator and either of the Issuer or the Issuer Trustee as members of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, (ii) be construed to impose any liability as such on any of them or (iii) be deemed to confer on any of them any express, implied or apparent authority to incur any obligation or liability on behalf of the others.

**Section 4.7 Other Activities of Administrator.** Nothing herein shall prevent the Administrator or its Affiliates from engaging in other businesses or, in its sole discretion, from acting in a similar capacity as an administrator for any other person or entity even though such person or entity may engage in business activities similar to those of the Issuer, the Issuer Trustee or the Indenture Trustee.

**Section 4.8 Termination, Resignation and Removal of Administrator.**

(a) Subject to subsection 4.8(d), the Administrator may resign its duties hereunder by providing the Issuer with at least 60 days prior written notice.

(b) Subject to subsection 4.8(d), and provided that TD or an Affiliate is not the Administrator, the Issuer or the Transferor may, with written notice to each Note Rating Agency, remove the Administrator without cause by providing the Administrator with at least 60 days prior written notice.

(c) Subject to subsection 4.8(d), at the sole option of the Issuer or the Transferor and with written notice to each Note Rating Agency, the Administrator may be removed immediately upon written notice of termination from the Issuer to the Administrator if any of the following events shall occur:

(i) the Administrator shall default in the performance of any of its duties under this Agreement and, after notice of such default, shall not cure such default within 60 days (or, if such default cannot be cured in such time, shall not give within 60 days such assurance of cure as shall be reasonably satisfactory to the Transferor and the Issuer);

(ii) a court having jurisdiction in the premises shall enter a decree or order for relief, and such decree or order shall not have been vacated within 60 days, in respect of the Administrator in any involuntary case under any applicable bankruptcy, reorganization, insolvency, moratorium or other laws or legal principles affecting creditors' rights generally from time to time in effect, or general equitable principles, whether applied in an action at law or in equity or appoint a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official for the Administrator or any substantial part of its property or order the winding-up or liquidation of its affairs; or

The Administrator agrees that if any of the events specified in clause (ii) or (iii) of this subsection 4.8(c) shall occur, it shall give written notice thereof to the Issuer, the Issuer Trustee and the Indenture Trustee within seven days after the happening of such event.

(d) No termination, resignation or removal of the Administrator pursuant to this Section 4.8 shall be effective until (i) a successor Administrator shall have been appointed by the Issuer and (ii) such successor Administrator shall have agreed in writing to be bound by the terms of this Agreement in the same manner as the Administrator is bound hereunder.

**Section 4.9 Action Upon Termination, Resignation or Removal.** Promptly upon the effective date of termination of the Administrator pursuant to subsection 4.8(c) or the resignation or removal of the Administrator pursuant to subsection 4.8(a) or (b), respectively, the Administrator shall be entitled to be paid all fees and reimbursable expenses accruing to it to the date of such resignation or removal. The Administrator shall forthwith upon such termination pursuant to subsection 4.8(c) deliver to the Issuer all property and documents of or relating to the Collateral then in the custody of the Administrator. In the event of the resignation or removal of

the Administrator pursuant to subsection 4.8(a) or (b), respectively, the Administrator shall cooperate with the Issuer and take all reasonable steps requested to assist the Issuer in making an orderly transfer of the duties of the Administrator.

## **ARTICLE V OTHER MATTERS RELATING TO THE SERVICER**

**Section 5.1 Liability of the Servicer.** The Servicer shall be liable under this Article V only to the extent of the obligations specifically undertaken by the Servicer in its capacity as Servicer.

**Section 5.2 Merger or Consolidation of, or Assumption of the Obligations of, the Servicer.** The Servicer shall not consolidate with or merge into any other Person or convey, transfer or sell its properties and assets substantially as an entirety to any Person, unless:

(a) (i) the Person formed by such consolidation or into which the Servicer is merged or the Person which acquires by conveyance, transfer or sale the properties and assets of the Servicer substantially as an entirety shall be, if the Servicer is not the surviving entity, a corporation, trust company or chartered bank organized and existing under the laws of Canada or any province or territory thereof or is a special purpose entity whose powers and activities are limited, and, if the Servicer is not the surviving entity, such Person shall expressly assume, by an agreement supplemental hereto, executed and delivered to the Trust and the Indenture Trustee, in form satisfactory to the Trust and the Indenture Trustee, the performance of every covenant and obligation of the Servicer hereunder (to the extent that any right, covenant or obligation of the Servicer, as applicable hereunder, is inapplicable to the successor entity, such successor entity shall be subject to such covenant or obligation, or benefit from such right, as would apply, to the extent practicable, to such successor entity);

(ii) the Servicer has delivered to the Transferor, the Issuer Trustee and the Indenture Trustee an Officer's Certificate of the Servicer and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or sale comply with this Section 5.2 and that all conditions precedent herein provided for relating to such transaction have been complied with; and

(iii) the Servicer shall have given the Note Rating Agencies prompt notice of such consolidation, merger or transfer of assets; and

(b) the Person formed by such consolidation or into which the Servicer is merged or the Person which acquires by conveyance, transfer or sale the properties and assets of the Servicer substantially as an entirety shall be or shall be immediately thereafter an Eligible Servicer.

**Section 5.3 Limitation on Liability of the Servicer and Others.** Except as provided in Section 5.4, neither the Servicer nor any of the directors, officers, employees, members or agents of the Servicer shall be under any liability to the Trust, the Issuer Trustee, the Indenture Trustee, the Noteholders, the Transferor or any other Person for any action taken, or for refraining from the taking of any action, in good faith in its capacity as Servicer pursuant to this Agreement; provided, however, that this provision shall not protect the Servicer or any directors, officers, employees, members or agents of the Servicer against any liability which would otherwise be

imposed by reason of negligence, fraud, wilful misconduct or bad faith in the performance of duties or by reason of reckless disregard of obligations and duties hereunder. The Servicer and any director, officer, employee, member or agent of the Servicer may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person (other than the Servicer) respecting any matters arising hereunder. The Servicer shall not be under any obligation to appear in, prosecute or defend any legal action which is not incidental to its duties as Servicer in accordance with this Agreement and which in its reasonable judgment may involve it in any expense or liability. The Servicer may, in its sole discretion, undertake any such legal action which it may deem necessary or desirable for the benefit of the Noteholders with respect to this Agreement and the rights and duties of the parties hereto and the interests of the Noteholders hereunder.

**Section 5.4 Servicer Indemnification of the Trust, the Issuer Trustee and the Indenture Trustee.** To the fullest extent permitted by applicable law, the Servicer shall indemnify and hold harmless each of the Transferor (in the case of clause (a) below), the Trust, the Issuer Trustee (as such and in its individual capacity), the Indenture Trustee and any trustees predecessor thereto (including the Indenture Trustee in its individual capacity and in its capacity as Note Registrar or as Paying Agent) and their respective directors, officers, employees, members and agents from and against any and all reasonable loss, liability, expense, damage or injury arising out of or relating to any claims, actions or proceedings brought or asserted by third parties which are suffered or sustained by reason of (a) any acts or omissions of the Servicer with respect to the Trust pursuant to this Agreement or (b) the administration of the Trust by the Issuer Trustee and the Indenture Trustee (including the Indenture Trustee in its capacity as Note Registrar or as Paying Agent), including any judgment, award, settlement, reasonable attorneys' fees and other costs or expenses incurred in connection with the defense of any action, proceeding or claim; provided, however, that the Servicer shall not indemnify any Transferor, the Trust, the Issuer Trustee (as such or in its individual capacity), the Indenture Trustee, any trustees predecessor thereto (including the Indenture Trustee in its capacity as Note Registrar or as Paying Agent) or their respective directors, officers, employees, members and agents, if such acts, omissions or alleged acts or omissions constitute or are caused by negligence, fraud, wilful misconduct or bad faith by such Transferor, the Trust, the Issuer Trustee (as such or in its individual capacity), the Indenture Trustee, any trustees predecessor thereto (including the Indenture Trustee in its capacity as Note Registrar or as Paying Agent) or their respective directors, officers, employees, members and agents; provided further that the Servicer shall not indemnify the Trust for any liabilities, costs or expenses of the Trust with respect to any action taken by the Issuer Trustee (as such or in its individual capacity), the Indenture Trustee, any trustees predecessor thereto (including the Indenture Trustee in its capacity as Note Registrar or as Paying Agent) or their respective directors, officers, employees, members and agents at the request of the Noteholders; provided further that the Servicer shall not indemnify the Trust as to any losses, claims or damages incurred with respect to the investment in the Trust Assets, including losses incurred as a result of Defaulted Accounts or Defaulted Receivables or losses suffered by the Collateral Certificates; and provided further that the Servicer shall not indemnify the Trust for any liabilities, costs or expenses of the Trust arising under any tax law, including any federal, state, provincial, local or foreign income or franchise taxes (or any interest or penalties with respect thereto or arising from a failure to comply therewith) required to be paid by the Trust in connection herewith to any taxing authority. Any such indemnification shall not be payable from the Trust Assets, but shall be payable only from the assets of the Servicer. The provisions of this

indemnity shall run directly to and be enforceable by an injured party subject to the limitations hereof and shall survive the resignation or removal of the Servicer, the resignation or removal of the Issuer Trustee and the Indenture Trustee and the termination of this Agreement.

**Section 5.5 Resignation of the Servicer.** The Servicer shall not resign from the obligations and duties hereby imposed on it except (a) upon determination that (i) the performance of its duties hereunder is no longer permissible under applicable law and (ii) there is no reasonable action which the Servicer could take to make the performance of its duties hereunder permissible under applicable law or (b) upon the assumption, by an agreement supplemental hereto, executed and delivered to the Transferor, the Trust and the Indenture Trustee, in form satisfactory to the Transferor, the Trust and the Indenture Trustee, of the obligations and duties of the Servicer hereunder by (x) any Eligible Servicer described in clause (a) or (b) of the definition thereof or (y) any Eligible Servicer described in clause (c) of the definition thereof the appointment of which shall have satisfied the Note Rating Agency Condition. Any determination permitting the resignation of the Servicer shall be evidenced as to clause (a) above by an Opinion of Counsel to such effect delivered to the Transferor, the Issuer Trustee and the Indenture Trustee. No resignation shall become effective until a Successor Servicer shall have assumed the responsibilities and obligations of the Servicer in accordance with Section 6.2. Immediately upon a determination that the Servicer may no longer act as Servicer under clause (a) above, the Indenture Trustee shall petition a court of competent jurisdiction at the expense of the resigning Servicer to appoint any established institution qualifying as an Eligible Servicer as the Successor Servicer hereunder. The Indenture Trustee shall give prompt notice to each Note Rating Agency upon the appointment of a Successor Servicer in accordance with Section 6.2 herein. Notwithstanding anything in this Agreement to the contrary, TD, as Servicer, may assign part or all of its obligations and duties as Servicer under this Agreement to an Affiliate of TD so long as TD shall have fully guaranteed the performance of such obligations and duties under this Agreement and such assignment will not constitute a resignation within the meaning of this Section 5.5.

**Section 5.6 Access to Certain Documentation and Information Regarding the Collateral.** The Servicer shall provide to the Trust and the Indenture Trustee access to documentation regarding the Accounts, the Receivables and the Collateral Certificates in such cases where the Indenture Trustee is required in connection with the enforcement of the rights of Noteholders or by applicable statutes or regulations to review such documentation, such access being afforded without charge but only (a) upon reasonable request, (b) during normal business hours, (c) subject to the Servicer's normal security, data protection and confidentiality procedures or such procedures as the Servicer may deem reasonably necessary and (d) at reasonably accessible offices in Canada designated by the Servicer. Nothing in this Section 5.6 shall derogate from the obligation of the Transferor, the Trust, the Issuer Trustee, the Indenture Trustee and the Servicer to observe any applicable law prohibiting disclosure of information regarding the Obligors, and the failure of the Servicer to provide access as provided in this Section 5.6 as a result of such obligation shall not constitute a breach of this Section 5.6.

**Section 5.7 Delegation of Duties.** In the ordinary course of business, the Servicer may at any time delegate all or part of its duties hereunder to any Person that agrees to conduct such duties in accordance with the Account Guidelines and this Agreement. Any such delegation shall not

relieve the Servicer of its liability and responsibility with respect to such duties, and shall not constitute a resignation within the meaning of Section 5.5.

**Section 5.8 Examination of Records.** Each Transferor and the Servicer shall indicate generally in their computer files or other records that the Receivables arising in the Accounts have been conveyed to the Trust pursuant to the Transfer Agreement and assigned to the Indenture Trustee under the Indenture. Each Transferor and the Servicer shall, prior to the sale or transfer to a third party of any receivable held in its custody, examine its computer records and other records to determine that such receivable is not, and does not include, a Receivable. Each Transferor and the Servicer shall also indicate generally in their computer files or other records that each applicable Collateral Certificate has been conveyed to the Trust pursuant to the Transfer Agreement and assigned to the Indenture Trustee under the Indenture.

## **ARTICLE VI SERVICER DEFAULTS**

**Section 6.1 Servicer Defaults.** If any one of the following events (a “**Servicer Default**”) shall occur and be continuing:

(a) any failure by the Servicer to make any payment, transfer or deposit or to give notice or instructions to the Indenture Trustee to make any required payment, transfer or deposit on the date the Servicer is required to do so under the terms of this Agreement, the Indenture or any applicable Indenture Supplement, or within the applicable grace period, which will not exceed five Business Days; provided, however, that any such failure caused by a nonwillful act of the Servicer shall not constitute a Servicer Default if the Servicer promptly remedies such failure within five Business Days after receiving notice of such failure or otherwise becoming aware of such failure;

(b) failure on the part of the Servicer duly to observe or perform in any material respect any other covenants or agreements of the Servicer set forth in this Agreement which has an Adverse Effect on any Noteholders and which continues unremedied for a period of 60 days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer by the Issuer Trustee or the Indenture Trustee, or to the Servicer, the Issuer Trustee and the Indenture Trustee by Noteholders evidencing not less than 50% of the aggregate Outstanding Dollar Principal Amount of all Notes sustaining such Adverse Effect (or, with respect to any such failure that does not relate to all Series, Classes or Tranches of Notes, not less than 50% of the aggregate unpaid principal amount of all Series, Classes or Tranches of Notes to which such failure related); or the Servicer shall assign or delegate its duties under this Agreement, except as permitted by Sections 5.2, 5.5 and 5.7;

(c) any representation, warranty or certification made by the Servicer in this Agreement or in any certificate delivered pursuant hereto shall prove to have been incorrect when made, which has an Adverse Effect on the rights of any Noteholders and which Adverse Effect continues for a period of 60 days after the date on which written notice thereof, requiring the same to be remedied, shall have been given to the Servicer by the Issuer Trustee or the Indenture Trustee, or to the Servicer, the Issuer Trustee and the Indenture Trustee by Noteholders evidencing not less than 50% of the aggregate unpaid principal amount of all Notes (or, with

respect to any such representation, warranty or certification that does not relate to all Series, Classes or Tranches of Notes, not less than 50% of the aggregate unpaid principal amount of all Series, Classes or Tranches of Notes adversely affected by such representation, warranty or certification);

(d) the Servicer shall consent to the appointment of a bankruptcy trustee or conservator, administrator, receiver or liquidator in any bankruptcy proceeding or other insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings of or relating to the Servicer or of or relating to all or substantially all its property, or a decree or order of a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a bankruptcy trustee or a conservator or receiver or liquidator in any bankruptcy, insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or the winding-up or liquidation of its affairs, shall have been entered against the Servicer and such decree or order shall have remained in force undischarged or unstayed for a period of 60 days; or the Servicer shall admit in writing its inability to pay its debts generally as they become due, file a petition to take advantage of any applicable bankruptcy, insolvency or reorganization statute, make any assignment for the benefit of its creditors or voluntarily suspend payment of its obligations and such petition shall not have been dismissed within 60 days of the filing thereof; or

(e) any other Servicer Default described in any Indenture Supplement;

then, in the event of any Servicer Default, so long as the Servicer Default shall not have been remedied, either the Indenture Trustee or Noteholders evidencing more than 50% of the aggregate Outstanding Dollar Principal Amount of all affected Notes, by notice then given in writing to the Servicer and the Issuer Trustee (and to the Indenture Trustee if given by the Noteholders) (a “**Termination Notice**”), may terminate all but not less than all the rights and obligations of the Servicer as Servicer under this Agreement.

After receipt by the Servicer of a Termination Notice, and on the date that a Successor Servicer is appointed by the Indenture Trustee pursuant to Section 6.2, all authority and power of the Servicer under this Agreement shall pass to and be vested in the Successor Servicer (a “**Service Transfer**”) and, without limitation, the Indenture Trustee is hereby authorized and empowered (upon the failure of the Servicer to cooperate) to execute and deliver, on behalf of the Servicer, as attorney-in-fact or otherwise, all documents and other instruments upon the failure of the Servicer to execute or deliver such documents or instruments, and to do and accomplish all other acts or things necessary or appropriate to effect the purposes of such Service Transfer. The Servicer agrees to cooperate with the Indenture Trustee and such Successor Servicer in effecting the termination of the responsibilities and rights of the Servicer to conduct servicing hereunder, including the transfer to such Successor Servicer of all authority of the Servicer to service the Trust Assets provided for under this Agreement, including, without limitation, all authority over all Collections which shall on the date of transfer be held by the Servicer for deposit, or which have been deposited by the Servicer, in the Collection Account, or which shall thereafter be received with respect to the Trust Assets, and in assisting the Successor Servicer. The Servicer shall within 20 Business Days of the date of transfer, transfer its electronic records or electronic copies thereof relating to the Trust Assets to the Successor Servicer in such electronic form as the Successor Servicer may reasonably request and shall

promptly transfer to the Successor Servicer all other records, correspondence and documents necessary for the continued servicing of the Trust Assets in the manner and at such times as the Successor Servicer shall reasonably request. To the extent that compliance with this Section 6.1 shall require the Servicer to disclose to the Successor Servicer information of any kind which the Servicer deems to be confidential, the Successor Servicer shall be required to enter into such customary licensing, security, data protection and confidentiality agreements as the Servicer shall deem reasonably necessary to protect its interests.

Notwithstanding the foregoing, a delay in or failure of performance referred to in paragraph (a) above for a period of ten Business Days after the applicable grace period or under paragraph (b) or (c) above for a period of 60 Business Days after the applicable grace period, shall not constitute a Servicer Default if such delay or failure could not be prevented by the exercise of reasonable diligence by the Servicer and such delay or failure was caused by an act of God or the public enemy, acts of declared or undeclared war or terrorism, public disorder, rebellion or sabotage, epidemics, landslides, lightning, fire, hurricanes, earthquakes, floods or similar causes. The preceding sentence shall not relieve the Servicer from using all commercially reasonable efforts to perform its obligations in a timely manner in accordance with the terms of this Agreement and the Servicer shall provide the Indenture Trustee, the Issuer Trustee and each Transferor with an Officer's Certificate of the Servicer giving prompt notice of such failure or delay by it, together with a description of its efforts so to perform its obligations.

## **Section 6.2 Appointment of Successor Servicer.**

(a) On and after the receipt by the Servicer of a Termination Notice pursuant to Section 6.1, the Servicer shall continue to perform all servicing functions under this Agreement until the date specified in the Termination Notice or otherwise specified by the Indenture Trustee or until a date mutually agreed upon by the Servicer and the Indenture Trustee. The Indenture Trustee shall as promptly as possible after the giving of a Termination Notice appoint an Eligible Servicer as a successor servicer (the "**Successor Servicer**"), and such Successor Servicer shall accept its appointment by a written assumption in a form acceptable to the Indenture Trustee and the Transferor. The Transferor shall have the right to nominate to the Indenture Trustee the name of a potential successor servicer, which nominee shall be selected by the Indenture Trustee as the Successor Servicer.

(b) As provided in Section 5.5, the Indenture Trustee shall petition a court of competent jurisdiction to appoint any established institution qualifying as an Eligible Servicer as the Successor Servicer hereunder. The Indenture Trustee shall notify each Note Rating Agency, the Issuer Trustee, the Transferor and the Administrator upon the removal of the Servicer and upon the appointment of a Successor Servicer.

(c) Upon its appointment, the Successor Servicer shall be the successor in all respects to the Servicer with respect to servicing functions under this Agreement and shall be subject to all the responsibilities, duties and liabilities relating thereto placed on the Servicer by the terms and provisions hereof, and all references in this Agreement to the Servicer shall be deemed to refer to the Successor Servicer.

(d) In connection with any Termination Notice, the Indenture Trustee will review any bids which it obtains from Eligible Servicers and shall be permitted to appoint any Eligible Servicer submitting such a bid as a Successor Servicer or, as provided in subsection 6.2(a), the Successor Servicer nominated by the Transferor, for servicing compensation not in excess of the Successor Servicing Fee plus the sum of the amounts with respect to each Series and with respect to each Payment Date equal to any Finance Charge Collections allocable to Noteholders of such Series which are payable to the holders of the Transferor Indebtedness after payment of all amounts owing to the Noteholders of such Series with respect to such Payment Date or required to be deposited in the applicable Issuer Accounts or Sub-Accounts with respect to such Payment Date; provided, however, that any holder of the Transferor Indebtedness shall be responsible for payment of its portion of such Successor Servicing Fee and all other such amounts in excess of such Successor Servicing Fee. Each holder of the Transferor Indebtedness agrees that, if TD (or any Successor Servicer) is terminated as Servicer hereunder, the portion of the Collections in respect of Finance Charge Receivables that such holder is entitled to receive pursuant to any Related Agreement shall be reduced by an amount sufficient to pay the Transferor's share of the compensation of the Successor Servicer.

(e) All authority and power granted to the Servicer under this Agreement shall automatically cease and terminate upon termination of the Trust pursuant to Article IX of the Declaration of Trust, and shall pass to and be vested in the Transferor and, without limitation, the Transferor is hereby authorized and empowered to execute and deliver, on behalf of the Servicer as attorney-in-fact or otherwise, all documents and other instruments, and to do and accomplish all other acts or things necessary or appropriate to effect the purposes of such transfer of servicing rights. The Servicer agrees to cooperate with the Transferor in effecting the termination of the responsibilities and rights of the Servicer to conduct servicing of the Receivables. The Servicer shall transfer its electronic records relating to the Receivables to the Transferor or its designee in such electronic form as it may reasonably request and shall transfer all other records, correspondence and documents to it in the manner and at such times as it shall reasonably request. To the extent that compliance with this Section 6.2 shall require the Servicer to disclose to the Transferor information of any kind which the Servicer deems to be confidential, the Transferor shall be required to enter into such customary licensing, security, data protection and confidentiality agreements as the Servicer shall deem necessary to protect its interests.

**Section 6.3 Notification to Noteholders.** Within five Business Days after the Servicer becomes aware of any Servicer Default, the Servicer shall give notice thereof to the Transferor, the Issuer Trustee, the Indenture Trustee and each Note Rating Agency, and the Indenture Trustee shall give notice to the Noteholders. Upon any termination or appointment of a Successor Servicer pursuant to this Article, the Indenture Trustee shall give prompt notice thereof to the Noteholders.

**Section 6.4 Waiver of Past Defaults.** Noteholders evidencing not less than 66 ⅔% of the aggregate unpaid principal amount of the Notes of each Series or, with respect to any Series with two or more Classes or Tranches, of each Class or Tranche, as applicable (or, with respect to any default that does not relate to or affect all Series, 66 ⅔% of the aggregate unpaid principal balance of the Notes of each Series to which such default relates or, with respect to any such Series with two or more Classes or Tranches, of each Class or Tranche, as applicable) may, on

behalf of all Noteholders of such Series, Class or Tranche, waive any default by the Servicer in the performance of its obligations hereunder and its consequences, except the failure to make any required deposits. Upon any such waiver of a past default, such default shall cease to exist, and any default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon except to the extent expressly so waived.

## **ARTICLE VII TERMINATION**

**Section 7.1 Termination of Agreement.** This Agreement and the respective obligations and responsibilities of the Trust, the Administrator and the Servicer under this Agreement shall terminate, except with respect to the indemnification obligations described in Section 5.4, on the date on which the Trust is dissolved in accordance with Article IX of the Declaration of Trust.

## **ARTICLE VIII MISCELLANEOUS PROVISIONS**

**Section 8.1 Amendment; Waiver of Past Defaults.**

(a) This Agreement may be amended from time to time by the Servicer, the Transferor, the Administrator, the Issuer and the Indenture Trustee, by a written instrument signed by each of them, without the consent of any of the Noteholders; provided that (i) each Transferor shall have delivered to the Indenture Trustee and the Issuer Trustee an Officer's Certificate of such Transferor, dated the date of any such amendment, stating that such Transferor reasonably believes that such amendment will not have an Adverse Effect and (ii) the Note Rating Agency Condition shall have been satisfied with respect to any material amendment.

Additionally, notwithstanding any provision of this Article VIII to the contrary, this Agreement may also be amended without the consent of any of the Noteholders to provide for (i) the establishment of multiple asset pools and the designation of Trust Assets to be included as part of specific asset pools or (ii) those changes necessary for compliance with securities law requirements or banking laws or regulations; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee and the Issuer Trustee an Officer's Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future and (ii) the Note Rating Agency Condition shall have been satisfied with respect to any such amendment.

Additionally, notwithstanding any other provision of this Article VIII to the contrary, this Agreement may also be amended from time to time by an instrument signed by the Servicer, the Transferor, the Administrator, the Issuer and the Indenture Trustee to modify, eliminate or add to the provisions of this Agreement (i) to facilitate compliance with or changes in laws or regulations applicable to the Servicer, the Transferor, the Administrator, the Issuer, the Indenture Trustee or the transactions described in this Agreement or (ii) to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Agreement in any applicable offering document, in each case upon delivery by the Transferor to the Indenture Trustee and the Issuer Trustee of an Officer's Certificate of the Transferor, dated

the date of any such amendment, to the effect that (A) the Transferor reasonably believes that such amendment will not have an Adverse Effect or (B) such amendment is required to remain in compliance with any change of law or regulation which applies to the Servicer, the Transferor, the Administrator, the Issuer, the Indenture Trustee or the transactions governed by the Transaction Documents, or such amendment is required to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document.

Additionally, notwithstanding any other provision of this Article VIII to the contrary, this Agreement may also be amended from time to time by an instrument signed by the Servicer, the Transferor, the Administrator, the Issuer and the Indenture Trustee to modify, eliminate or add to the provisions of this Agreement and the other Transaction Documents to enable the Issuer to file a Registration Statement (and any related exhibits thereto) for the offering of securities registered under the Securities Act and to comply with Regulation AB (including, without limitation, ongoing reporting obligations thereunder), upon delivery by the Issuer to the Indenture Trustee and the Transferor of an Officer's Certificate of the Issuer, dated the date of any such amendment, to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect. A copy of any amendment to this Agreement pursuant to this subsection (a) shall be sent to each Note Rating Agency.

(b) This Agreement may also be amended in writing from time to time by the Servicer, the Transferor, the Indenture Trustee and the Trust, with the consent of Noteholders evidencing not less than 66  $\frac{2}{3}$ % of the aggregate unpaid principal amount of all affected Series, Classes or Tranches of Notes for which the Transferor has not delivered an Officer's Certificate stating that there is no Adverse Effect, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of any Noteholders; provided, however, that no such amendment shall (i) reduce in any manner the amount of or delay the timing of any distributions (changes in Early Amortization Events or Events of Default that decrease the likelihood of the occurrence thereof shall not be considered delays in the timing of distributions for purposes of this clause) to be made to Noteholders or deposits of amounts to be so distributed or the amount available under any Supplemental Credit Enhancement Agreement and any Derivative Agreement without the consent of each affected Noteholder, (ii) change the definition of or the manner of calculating the interest of any Noteholder without the consent of each affected Noteholder, (iii) reduce the aforesaid percentage required to consent to any such amendment without the consent of each Noteholder or (iv) adversely affect the rating of any Series, Class or Tranche of Notes by each Note Rating Agency without the consent of Noteholders evidencing not less than 66  $\frac{2}{3}$ % of the aggregate unpaid principal amount of such Series, Class or Tranche (which shall not be deemed to occur if the Note Rating Agency Condition shall have been satisfied with respect to such amendment).

(c) Promptly after the execution of any such amendment or consent (other than an amendment pursuant to subsection (a)), the Trust shall furnish notification of the substance of such amendment to each Noteholder, and the Servicer shall furnish notification of the substance of such amendment to each Note Rating Agency and each Supplemental Credit Enhancement Provider.

(d) It shall not be necessary for the consent of Noteholders under this Section 8.1 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Noteholders shall be subject to such reasonable requirements as the Indenture Trustee may prescribe.

(e) Notwithstanding anything in this Section 8.1 to the contrary, no amendment may be made to this Agreement which would adversely affect in any material respect the interests of any Supplemental Credit Enhancement Provider without the consent of such Supplemental Credit Enhancement Provider.

(f) Any Indenture Supplement executed in accordance with the provisions of Article X of the Indenture shall not be considered an amendment of this Agreement for the purposes of this Section 8.1.

(g) The Issuer Trustee and the Indenture Trustee may, but shall not be obligated to, enter into any such amendment which adversely affects in any material respect the rights, duties, benefits, protections, privileges or immunities of the Issuer Trustee or the Indenture Trustee, as applicable, under this Agreement or otherwise. In connection with the execution of any amendment hereunder, the Issuer Trustee and the Indenture Trustee shall be entitled to receive the Opinion of Counsel described in subsection 8.2(b).

**Section 8.2 Protection of Right, Title and Interest in and to Trust Assets.**

(a) The Servicer shall give the Issuer Trustee and the Indenture Trustee prompt written notice of any relocation of any office from which it services Receivables or keeps records concerning the Receivables and the Collateral Certificates or of its chief executive office and whether, as a result of such relocation, the applicable provisions of the PPSA would require the filing of any amendment of any previously filed financing statement or amendment thereto or of any new financing statement and shall file such financing statements or amendments as may be necessary to perfect or to continue the perfection of the ownership interest of the Trust in the Trust Assets. The Servicer shall at all times maintain each office from which it services Receivables and its chief executive offices within Canada and shall at all times be organized under the laws of a jurisdiction located within Canada. Each of the Issuer Trustee and the Indenture Trustee shall give the Servicer prompt notice of any change in its name or any change in its address as shown on any financing statement filed in connection with the transactions contemplated by any Related Agreement if the address so shown ceases to be an address from which information concerning the Trust Assets can be obtained.
